X The applicant hereby petitions for a one month extension of time and includes a check for \$55 payment under 37 CFR 1.17(a)(1).

X The applicant believes that no further extension of time period is required for this response. However, the applicant makes a conditional petition for extension of time to provide for the possibility that the applicant has inadvertently overlooked the need for such petition for further extension of time.

X The applicant believes that no additional payment is required for this amendment. However, should the Patent Office determine that an additional payment is required for this correspondence, the Assistant Commissioner for Patents is authorized to deduct the amount of the deficiency from deposit account number 071248. The name and address of the depositor are:
